HOUSE BILL 1755

---

State of Washington                      52nd Legislature                      1991 Regular Session

By Representatives Braddock, Bowman and Anderson.

Read first time February 7, 1991. Referred to Committee on Commerce & Labor.

1            AN ACT Relating to registration of architects; and amending RCW  
2 18.08.350.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4            **Sec. 1.** RCW 18.08.350 and 1985 c 37 s 6 are each amended to read  
5 as follows:

6            (1) A certificate of registration shall be granted by the director  
7 to all qualified applicants who are certified by the board as having  
8 passed the required examination and as having given satisfactory proof  
9 of completion of the required experience.

10           (2) Applications for examination shall be filed as the board  
11 prescribes by rule. The application and examination fees shall be  
12 determined by the director under RCW 43.24.086.

13           (3) An applicant for registration as an architect shall be of a  
14 good moral character, at least eighteen years of age, and shall:

1 (a) Have an accredited architectural degree and three years'  
2 practical architectural work experience approved by the board. At  
3 least two years' work experience must be under the direct supervision  
4 of an architect; or

5 (b) Have eight years' practical architectural work experience  
6 approved by the board. Each year spent in an accredited architectural  
7 program approved by the board shall be considered one year of practical  
8 experience. At least four years' practical work experience shall be  
9 under the direct supervision of an architect; or

10 (c) Be a person who has been designing buildings as a principal  
11 activity for eight years, or has an equivalent combination of education  
12 and experience, but who was not registered under chapter 323, Laws of  
13 1959, as amended, as it existed before July 28, 1985, provided that  
14 application is made within (~~four~~) ten years after July 28, 1985.  
15 Nothing in this chapter prevents such a person from designing buildings  
16 for (~~four~~) ten years after July 28, 1985, or the five-year period  
17 allowed for completion of the examination process, after that person  
18 has applied for registration. A person who has been designing  
19 buildings and is qualified under this subsection shall, upon  
20 application to the board of registration for architects, be allowed to  
21 take the examination for architect registration on an equal basis with  
22 other applicants.
