26 management and the office of the superintendent of public instruction

1 shall provide technical assistance and information to the office of the

5 NEW SECTION. **Sec. 6.** In order to ensure that the state

11 that the proposed contract is necessary to protect the public safety,
12 protect against the loss of federal certification or loss of critical
13 federal funds, or carry out functions so essential to the agency that
14 even temporary suspension or delay of services would have a significant
15 negative impact on the public. The director shall forward a copy of
16 any approvals, together with justification for the exceptions, to the
17 fiscal committees of the legislature. Each forwarded approval shall
18 include the name of the proposed contractor, the agency and division or

2 who retire from state service under the provisions of this act.
3 Exceptions to this section may be granted by written approval from the
4 superintendent of public instruction if the superintendent finds that
5 the proposed contract is necessary to protect student safety, protect
6 against the loss of school district certification or loss of federal
7 funds, or carry out functions so essential to the district that even
8 temporary suspension or delay of services would have a significant
9 negative impact on students. The superintendent shall forward a copy
10 of any approvals, together with justification for the exceptions, to
11 the office of financial management and the fiscal committees of the
12 legislature. Each forwarded approval shall include the name of the
13 proposed contractor, the district requesting the contract, duration and
14 cost of the proposed contract, and specific functions and duties to be
15 carried out under the contract. This section shall expire August 31,
16 1995.

17 NEW SECTION. **Sec. 9.** Section 8 of this act is added to
18 chapter 28A.400 RCW, but because of its temporary nature, shall not be
19 codified.

20 NEW SECTION. **Sec. 10.** The department of personnel, through the
21 combined benefits communication project, shall prepare information
22 encouraging individual financial planning for retirement and describing
23 the potential consequences of early retirement, including members'
24 assumption of health insurance costs, members' receipt of reduced
25 retirement benefits, and the increased period of time before members
26 will become eligible for cost-of-living adjustments. The department of
27 retirement systems shall distribute the information to members who are
28 eligible to retire under the provisions of this act. Prior to

1 retiring, such members who elect to retire shall sign a statement
2 acknowledging their receipt and understanding of the information.

3 NEW SECTION. **Sec. 11.** In order to ensure that the state
4 derives the expected benefits from the early retirement provisions of
5 this act, no state agency may hire persons who retire from state
6 service under the provisions of this act as temporary or project
7 employees, as defined by the state personnel board for employees
8 covered under chapter 41.06 RCW and by the higher education personnel
9 board for employees covered under chapter 28B.16 RCW. Exceptions to
10 this section may be granted by written approval from the director of
11 the office of financial management if the director finds that the
12 temporary or project employment of a retiree is necessary to protect
13 the public safety, protect against the loss of federal certification or
14 loss of critical federal funds, or carry out functions so essential to
15 the agency that even temporary suspension or delay of services would
16 have a significant negative impact on the public. The director shall
17 forward a copy of any approvals, together with justification for the
18 exceptions, to the fiscal committees of the legislature. Each
19 forwarded approval shall include the name of the temporary or project
20 employee, the agency and division or department requesting the
21 employment, duration and cost of the proposed employment, and specific
22 functions and duties to be carried out during the employment. This
23 section shall expire June 30, 1995.

24 **Sec. 12.** RCW 28A.400.210 and 1991 c 92 s 2 are each amended to
25 read as follows:

26 Every school district board of directors may, in accordance with
27 chapters 41.56 and 41.59 RCW, establish an attendance incentive program
28 for all certificated and noncertificated employees in the following

1 manner, including covering persons who were employed during the
2 1982-'83 school year:

3 (1) In January of the year following any year in which a minimum of
4 sixty days of leave for illness or injury is accrued, and each January
5 thereafter, any eligible employee may exercise an option to receive
6 remuneration for unused leave for illness or injury accumulated in the
7 previous year at a rate equal to one day's monetary compensation of the
8 employee for each four full days of accrued leave for illness or injury
9 in excess of sixty days. Leave for illness or injury for which
10 compensation has been received shall be deducted from accrued leave for
11 illness or injury at the rate of four days for every one day's monetary
12 compensation. No employee may receive compensation under this section
13 for any portion of leave for illness or injury accumulated at a rate in
14 excess of one day per month.

15 (2) Except as provided in section 13 of this act, at the time of
16 separation from school district employment due to retirement or death
17 an eligible employee or the employee's estate shall receive
18 remuneration at a rate equal to one day's current monetary compensation
19 of the employee for each four full days accrued leave for illness or
20 injury.

21 (3) In lieu of remuneration for unused leave for illness or injury
22 as provided in subsections (1) and (2) of this section, a school
23 district board of directors may, with equivalent funds, provide
24 eligible employees a benefit plan that provides reimbursement for
25 medical expenses. Any benefit plan adopted after July 28, 1991, shall
26 require, as a condition of participation under the plan, that the
27 employee sign an agreement with the district to hold the district
28 harmless should the United States government find that the district or
29 the employee is in debt to the United States as a result of the
30 employee not paying income taxes due on the equivalent funds placed

1 into the plan, or as a result of the district not withholding or
2 deducting any tax, assessment, or other payment on such funds as
3 required under federal law.

4 Moneys or benefits received under this section shall not be
5 included for the purposes of computing a retirement allowance under any
6 public retirement system in this state.

7 The superintendent of public instruction in its administration
8 hereof, shall promulgate uniform rules and regulations to carry out the
9 purposes of this section.

10 Should the legislature revoke any benefits granted under this
11 section, no affected employee shall be entitled thereafter to receive
12 such benefits as a matter of contractual right.

13 NEW SECTION. **Sec. 13.** An employee of a school district that
14 has established an attendance incentive program under RCW 28A.400.210
15 who retires under section 1 or 3 of this act shall receive, at the time
16 of his or her separation from school district employment, not less than
17 one-half of the remuneration for accrued leave for illness or injury
18 payable to him or her under the district's incentive program. The
19 school district board of directors may, at its discretion, pay the
20 remainder of such an employee's remuneration for accrued leave for
21 illness or injury within two years following the employee's separation
22 from school district employment, but the employee or the employee's
23 estate is entitled to receive the remainder of the remuneration no
24 later than two years following the date of the employee's separation
25 from school district employment. Any remuneration paid shall be based
26 on the number of days of leave the employee had accrued and the
27 compensation the employee received at the time he or she retired under
28 section 1 or 3 of this act.

1 NEW SECTION. **Sec. 14.** This act is necessary for the immediate
2 preservation of the public peace, health, or safety, or support of the
3 state government and its existing public institutions, and shall take
4 effect immediately.
