
SENATE BILL 5396

State of Washington

52nd Legislature

1991 Regular Session

By Senators McDonald, Niemi, Conner and Rasmussen; by request of Governor Gardner.

Read first time January 30, 1991. Referred to Committee on Ways & Means.

1 AN ACT Relating to fiscal matters; making appropriations and
2 authorizing expenditures for the operations of state agencies for the
3 fiscal biennium beginning July 1, 1991, and ending June 30, 1993;
4 providing an effective date; and declaring an emergency.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** (1) A budget is hereby adopted and, subject
7 to the provisions set forth in the following sections, the several
8 amounts specified in the following sections, or so much thereof as
9 shall be sufficient to accomplish the purposes designated, are hereby
10 appropriated and authorized to be incurred for salaries, wages, and
11 other expenses of the agencies and offices of the state and for other
12 specified purposes for the fiscal biennium beginning July 1, 1991, and
13 ending June 30, 1993, except as otherwise provided, out of the several
14 funds of the state hereinafter named.

1 (2) Unless the context clearly requires otherwise, the definitions
2 in this section apply throughout this act.

3 (a) "Fiscal year 1992" or "FY 1992" means the fiscal year ending
4 June 30, 1992.

5 (b) "Fiscal year 1993" or "FY 1993" means the fiscal year ending
6 June 30, 1993.

7 (c) "FTE" means full time equivalent.

8 (d) "Lapse" or "revert" means the amount shall return to an
9 unappropriated status.

10 (e) "Provided solely" means the specified amount may be spent only
11 for the specified purpose. Unless otherwise specifically authorized in
12 this act, any portion of an amount provided solely for a specified
13 purpose which is unnecessary to fulfill the specified purpose shall
14 lapse.

2 HUMAN SERVICES

3 NEW SECTION. Sec. 201. FOR THE DEPARTMENT OF SOCIAL AND HEALTH
4 SERVICES

5 (1) Appropriations made in this act to the department of social and
6 health services shall initially be allotted as required by this act.
7 Subsequent allotment modifications shall not include transfers of
8 moneys between sections of this act except as expressly provided in
9 this act, nor shall allotment modifications permit moneys that are
10 provided solely for a specified purpose to be used for other than that
11 purpose.

12 (2) The department of social and health services shall not initiate
13 any services that will require expenditure of state general fund moneys
14 unless expressly authorized in this act or other law, or unless the
15 services were provided on March 1, 1991. The department may seek,
16 receive, and spend, under RCW 43.79.260 through 43.79.282, federal
17 moneys not anticipated in this act as long as the federal funding does
18 not require expenditure of state moneys for the program in excess of
19 amounts anticipated in this act. If the department receives
20 unanticipated unrestricted federal moneys, except maternal and child
21 health block grant moneys, those moneys shall be spent for services
22 authorized in this act, and an equal amount of appropriated state
23 general fund moneys shall lapse. As used in this subsection,
24 "unrestricted federal moneys" includes block grants and other funds
25 that federal law does not require to be spent on explicitly defined
26 projects or matched on a formula basis by state funds.

DEPARTMENT OF SOCIAL AND HEALTH SERVICES--cont.

1 (3) The department of social and health services is authorized to
2 expend federal funds made available by the federal immigration reform
3 and control act, P.L. 99-603, for the purposes contained in that act.

DEPARTMENT OF NATURAL RESOURCES--cont.

1 The appropriations in this section are subject to the following
2 conditions and limitations:

3 (1) \$7,285,000 of the general fund--state appropriation is provided
4 solely for the emergency fire suppression subprogram.

5 (2) \$1,841,000, of which \$1,136,000 is from the resource management
6 cost account appropriation, and \$705,000 is from the forest development
7 account appropriation, is provided solely for the development of a
8 harvest planning system for state trust lands. Authority to expend
9 these funds is conditioned upon compliance with the requirements set
10 forth in section 802 of this act.

11 (3) \$2,840,000 of the general fund--state appropriation is provided
12 solely for cooperative monitoring, evaluation, and research projects
13 related to implementation of the timber-fish-wildlife agreement. If
14 pending legislation (Z-0593/91 or substantially similar legislation),
15 establishing fees for forest practices applications is not enacted by
16 June 30, 1991, this appropriaiton shall lapse.

17 (4) \$1,682,000 of the general fund--state appropriation is provided
18 solely for the development of a forest practices data management
19 system. If pending legislation (Z-0593/91 or substantially similar
20 legislation), establishing fees for forest practices applications is
21 not enacted by June 30, 1991, this appropriation shall lapse. In
22 addition, authority to expend these funds is conditioned upon
23 compliance with section 802.

24 (5) \$2,444,000 of the general fund--state appropriation is provided
25 solely for workload increase in the forest practices subprogram. If
26 pending legislation (Z-0593/91 or substantially similar legislation),
27 establishing fees for forest practices applications is not enacted by
28 June 30, 1991, this appropriation shall lapse.

DEPARTMENT OF NATURAL RESOURCES--cont.

1 (6) \$100,000 of the general fund--state appropriation is provided
2 solely for agency activities related to enforcement of the federal log
3 export ban.

4 (7) \$450,000 from the resource management cost account is provided
5 solely for the control and eradication of Spartina, including research,
6 environmental impact statements, and public education. \$100,000 of
7 this amount shall be used solely for direct control efforts. The
8 agency shall work in cooperation with other state, local and federal
9 agencies, private industry, and nonprofit organizations.

10 (8) \$1,909,014 of the general fund--state appropriation is provided
11 solely for the implementation of the Puget Sound Water Quality
12 Management Plan.

13 (9) The department of natural resources, in cooperation with the
14 United States forest service, other federal agencies, private timber
15 landowners, and the University of Washington, shall conduct a timber
16 and timber land inventory to provide the information needed to prepare
17 an assessment of the timber supply in Washington state. The inventory
18 shall be prepared in such a way that it may be updated periodically.
19 The inventory shall include all state, private, county, federal, and
20 commercial forest lands and shall include estimates on the acreage and
21 volumes of timber withdrawn from harvest from lands such as parks,
22 watersheds, and similar lands reserved for nontimber producing
23 activities. \$550,000 of the general fund--state appropriation is
24 provided solely for the completion of this inventory.

25 (10) \$163,000 of the general fund--state appropriation is provided
26 solely for the department to contract with the University of Washington
27 college of forest resources for a timber supply study. The study shall
28 identify the quantity of timber present now and quantity of timber that
29 may be available from forest lands in the future, use various

DEPARTMENT OF NATURAL RESOURCES--cont.

1 assumptions of landowner management, and include changes in the forest
2 land base, amount of capital invested in timber management, and
3 expected harvest age. No portion of this appropriation may be expended
4 for indirect costs associated with the study.

5 (11) \$1,857,000, of which \$835,000 is from the general fund--state
6 appropriation, \$445,350 is from the forest development account
7 appropriation, and \$575,931 is from the resource management cost
8 account appropriation, is provided solely for costs related to forestry
9 camp No. 1.

10 (12) \$3,100,700, of which \$1,395,314 is from the general fund--
11 state appropriation, \$744,168 is from the forest development account
12 appropriation, and \$961,218 is from the resource management cost
13 account appropriation, is provided solely for costs related to the
14 expansion of the Cedar Creek and Olympic Clearwater Correctional Camps.

15 (13) \$4,000,000 of which \$3,926,000 is from the resource management
16 cost account appropriation and \$74,000 is from the forest development
17 account appropriation shall be used solely for hiring dislocated timber
18 workers to do timber stand improvement, precommercial thinning,
19 fertilization, pruning, stream enhancement, trail maintenance and other
20 services on state owned timberlands. Use of these funds is also
21 dependent upon the following conditions:

22 (a) The majority of these funds are to be expended in the first
23 fiscal year of the biennium.

24 (b) The department must hire individuals for these positions from
25 a pool of timber workers provided by the employment security
26 department. The department must employ a minimum of 160 full time
27 equivalent positions and must pay these positions a minimum of \$10 per
28 hour, and provide medical benefits. These employees will not be
29 eligible for membership in the state pension system.

DEPARTMENT OF NATURAL RESOURCES--cont.

1 (c) The pool of workers recommended by the employment security
2 department must consist of individuals who meet the following criteria:

3 (i) Were employed on or after July 1, 1990, in timber or timber
4 related industries in Washington state. They must have been employed
5 in the pulp and paper, lumber, wood processing, logging, longshoring,
6 or related industries, and be currently unemployed.

7 (ii) Have agreed to participate in a career orientation program.
8 Under this program participants must agree to work 32 hours per week in
9 the timber jobs program and participate for 8 hours per week in a
10 career orientation and preparation program organized by the employment
11 security department.

12 (d) These new jobs cannot displace any existing jobs or contacts
13 and must be used entirely to reduce management backlog or for new
14 activities.

15 (e) An individual cannot participate in the program for longer than
16 one year.

17 (f) Positions created under this proviso shall be exempt from the
18 provisions of chapter 41.06 RCW.

19 (g) The department and the employment security department must
20 report to the legislature as to the progress of the program,
21 recommending the expansion, maintenance or curtailment of the program
22 by November 1, 1991.

23 (14) \$1,282,140 of which \$529,717 is from the general fund--state
24 appropriation, \$195,774 is from the forest development account
25 appropriation and \$556,649 is from the resource management cost account
26 appropriation, is provided solely for additional agency costs related
27 to the new natural resource building.

EDUCATION

<u>NEW SECTION.</u>	Sec. 501.	FOR THE SUPERINTENDENT OF PUBLIC
INSTRUCTION--FOR STATE ADMINISTRATION		
General Fund Appropriation--State	\$	23,260,000
General Fund Appropriation--Federal	\$	13,020,000
Public Safety and Education Account		
Appropriation	\$	452,000
Drug Enforcement and Education Account		
Appropriation	\$	175,000
TOTAL APPROPRIATION	\$	36,907,000

The appropriations in this section are subject to the following conditions and limitations:

(1) The entire public safety and education account appropriation is provided solely for administration of the traffic safety education program, including in-service training related to instruction in the risks of driving while under the influence of alcohol and other drugs.

(2) The entire drug enforcement and education account appropriation is provided solely for administration of the grant awards established under chapter 28A.170 RCW.

(3) \$300,000 of the general fund--state appropriation is provided solely to administer the Schools for the 21st Century project awards.

(4) \$90,000 of the general fund--state appropriation is provided solely to administer the Fair Start Program.

(5) \$10,000 of the general fund--state appropriation is provided solely to administer the homeless children education grant program.

SPI--For State Administration--cont.

1 (6) \$30,000 of the general fund--state appropriation is provided
2 solely to administer the Seattle and Tacoma magnet schools grant
3 program.

4 (7) \$100,000 of the general fund--state appropriation is provided
5 solely to print and distribute an informational brochure on enrollment
6 options.

7 (8) \$1,700,000 of the general fund--state appropriation is provided
8 solely to establish the Commission for the Assessment of Student
9 Learning established under HB XXXX. Funding is provided to hire an
10 executive director and necessary support staff, employ consultants,
11 provide for pilot projects, hire teachers and faculty on a part-time
12 basis, and other necessary activities.

13 (9) \$650,000 of the general fund--state appropriation is provided
14 solely to upgrade and renew the data collection process of the
15 superintendent of public instruction. The superintendent of public
16 instruction must meet the following requirements prior to disbursing
17 any of this appropriation:

18 (a) Establish an advisory committee on information needs with the
19 following minimum representation: The legislature, the office of
20 superintendent of public instruction, the office of financial
21 management, and the educational service districts.

22 (b) Present a technology decision package to the office of
23 financial management which includes recommended system design with cost
24 estimates, advantages and disadvantages of recommended system for
25 achieving programmatic goals, and comparable information for at least
26 two alternatives.

27 (c) Receive approval from the office of financial management for
28 the recommended system design.

1 NEW SECTION. **Sec. 502. FOR THE SUPERINTENDENT OF PUBLIC**
2 **INSTRUCTION--FOR GENERAL APPORTIONMENT (BASIC EDUCATION)**

3 General Fund Appropriation \$ 5,165,739,000

4 The appropriation in this section is subject to the following
5 conditions and limitations:

6 (1) \$499,940,000 of the general fund appropriation is provided
7 solely for the remaining months of the 1990-91 school year.

8 (2) Allocations for certificated staff salaries for the 1991-92 and
9 1992-93 school years shall be determined using formula-generated staff
10 units calculated pursuant to this subsection. Small school enrollments
11 in kindergarten through grade six shall generate funding under (a) of
12 this subsection, and shall not generate allocations under (d) and (e)
13 of this subsection, if the staffing allocations generated under (a) of
14 this subsection exceed those generated under (d) and (e) of this
15 subsection. The certificated staffing allocations shall be as follows:

16 (a) On the basis of average annual full time equivalent
17 enrollments, excluding full time equivalent enrollment otherwise
18 recognized for certificated staff unit allocations under (c) through
19 (f) of this subsection:

20 (i) Four certificated administrative staff units for each one
21 thousand full time equivalent kindergarten through twelfth grade
22 students excluding full time equivalent handicapped enrollment as
23 recognized for funding purposes under section 509 of this act;

24 (ii) 52.3 certificated instructional staff units for each one
25 thousand full time equivalent students in kindergarten through third
26 grade, excluding full time equivalent handicapped students in
27 kindergarten through third grade; and

SPI--For General Apportionment (Basic Education)--cont.

1 (iii) Forty-six certificated instructional staff units for each one
2 thousand full time equivalent students in grades four through twelve,
3 excluding full time equivalent handicapped students in those grades;

4 (b) For school districts with a minimum enrollment of 250 full time
5 equivalent students, whose full time equivalent student enrollment
6 count in a given month exceeds the first of the month full time
7 equivalent enrollment count by 5 percent, an additional state
8 allocation of 110 percent of the share that such increased enrollment
9 would have generated had such additional full time equivalent students
10 been included in the normal enrollment count for that particular month.

11 (c) On the basis of full time equivalent enrollment in vocational
12 education programs approved by the superintendent of public
13 instruction, 0.92 certificated instructional staff units and 0.08
14 certificated administrative staff units for each 17.075 full time
15 equivalent vocational students, except that for skills center programs
16 the allocation ratios shall be 0.92 certificated instructional staff
17 units and 0.08 certificated administrative staff units for each 16.67
18 full time equivalent vocational students;

19 (d) For districts enrolling not more than twenty-five average
20 annual full time equivalent students in kindergarten through grade
21 eight, and for small school plants within any school district which
22 have been judged to be remote and necessary by the state board of
23 education and enroll not more than twenty-five average annual full time
24 equivalent students in kindergarten through grade eight:

25 (i) For those enrolling no students in grades seven and eight, 1.76
26 certificated instructional staff units and 0.24 certificated
27 administrative staff units for enrollment of not more than five
28 students, plus one-twentieth of a certificated instructional staff unit
29 for each additional student enrolled; and

SPI--For General Apportionment (Basic Education)--cont.

1 (ii) For those enrolling students in grades seven or eight, 1.68
2 certificated instructional staff units and 0.32 certificated
3 administrative staff units for enrollment of not more than five
4 students, plus one-tenth of a certificated instructional staff unit for
5 each additional student enrolled.

6 (e) For specified enrollments in districts enrolling more than
7 twenty-five but not more than one hundred average annual full time
8 equivalent students in kindergarten through grade eight, and for small
9 school plants within any school district which enroll more than
10 twenty-five average annual full time equivalent kindergarten through
11 eighth grade students and have been judged to be remote and necessary
12 by the state board of education:

13 (i) For enrollment of up to sixty annual average full time
14 equivalent students in kindergarten through grade six, 2.76
15 certificated instructional staff units and 0.24 certificated
16 administrative staff units; and

17 (ii) For enrollment of up to twenty annual average full time
18 equivalent students in grades seven and eight, 0.92 certificated
19 instructional staff units and 0.08 certificated administrative staff
20 units.

21 (f) For districts operating no more than two high schools with
22 enrollments of less than three hundred average annual full time
23 equivalent students, for enrollment in grades nine through twelve in
24 each such school, other than alternative schools:

25 (i) For remote and necessary schools enrolling students in any
26 grades nine through twelve but no more than twenty-five average annual
27 full time equivalent kindergarten through twelfth grade students, four
28 and one-half certificated instructional staff units and one-quarter of
29 a certificated administrative staff unit;

SPI--For General Apportionment (Basic Education)--cont.

1 (ii) For all other small high schools under this subsection, nine
2 certificated instructional staff units and one-half of a certificated
3 administrative staff unit for the first sixty average annual full time
4 equivalent students, and additional staff units based on a ratio of
5 0.8732 certificated instructional staff units and 0.1268 certificated
6 administrative staff units per each additional forty-three and one-half
7 average annual full time equivalent students.

8 Units calculated under (f)(ii) of this subsection shall be reduced
9 by certificated staff units at the rate of forty-six certificated
10 instructional staff units and four certificated administrative staff
11 units per thousand vocational and handicapped full time equivalent
12 students.

13 (g) For each nonhigh school district having an enrollment of more
14 than seventy annual average full time equivalent students and less than
15 one hundred eighty students, operating a grades K-8 program or a grades
16 1-8 program, an additional one-half of a certificated instructional
17 staff unit.

18 (h) For each nonhigh school district having an enrollment of more
19 than fifty annual average full time equivalent students and less than
20 one hundred eighty students, operating a grades K-6 program or a grades
21 1-6 program, an additional one-half of a certificated instructional
22 staff unit.

23 (3) Allocations for classified salaries for the 1991-92 and 1992-93
24 school years shall be calculated using formula-generated classified
25 staff units determined as follows:

26 (a) For enrollments generating certificated staff unit allocations
27 under subsection (2) (d) through (h) of this section, one classified
28 staff unit for each three certificated staff units allocated under such
29 subsections.

SPI--For General Apportionment (Basic Education)--cont.

1 (b) For all other enrollment in grades kindergarten through twelve,
2 including vocational but excluding handicapped full time equivalent
3 enrollments, one classified staff unit for each sixty average annual
4 full time equivalent students.

5 (c) For each nonhigh school district with an enrollment of more
6 than fifty annual average full time equivalent students and less than
7 one hundred eighty students, an additional one-half of a classified
8 staff unit.

9 (4) Fringe benefit allocations shall be calculated at a rate of
10 21.11 percent in the 1991-92 and 1992-93 school years of certificated
11 salary allocations provided under subsection (2) of this section, and
12 a rate of 18.84 percent in the 1991-92 and 1992-93 school years of
13 classified salary allocations provided under subsection (3) of this
14 section.

15 (5) Insurance benefit allocations shall be calculated at the rates
16 specified in section 505 of this act, based on:

17 (a) The number of certificated staff units determined in subsection
18 (2) of this section; and

19 (b) The number of classified staff units determined in subsection
20 (3) of this section multiplied by 1.152. This factor is intended to
21 adjust allocations so that, for the purposes of distributing insurance
22 benefits, full time equivalent classified employees may be calculated
23 on the basis of 1440 hours of work per year, with no individual
24 employee counted as more than one full time equivalent.

25 (6)(a) For nonemployee related costs associated with each
26 certificated staff unit allocated under subsection (2) (a), (b), and
27 (d) through (h) of this section, there shall be provided a maximum of
28 \$6,654 per certificated staff unit in the 1991-92 and 1992-93 school
29 years.

SPI--For General Apportionment (Basic Education)--cont.

1 (b) For nonemployee related costs associated with each certificated
2 staff unit allocated under subsection (2)(c) of this section, there
3 shall be provided a maximum of \$12,679 per certificated staff unit in
4 the 1991-92 and 1992-93 school years.

5 (7) Allocations for substitute costs for classroom teachers shall
6 be distributed at a maximum rate of \$302 for the 1991-92 school year
7 and \$326 per year for the 1992-93 school year for allocated classroom
8 teachers. Solely for the purposes of this subsection, allocated
9 classroom teachers shall be equal to the number of certificated
10 instructional staff units allocated under subsection (2) of this
11 section, multiplied by the ratio between the number of actual basic
12 education certificated teachers and the number of actual basic
13 education certificated instructional staff reported state-wide for the
14 1990-91 school year.

15 (8) The superintendent may distribute a maximum of \$4,409,000
16 outside the basic education formula during fiscal years 1992 and 1993
17 as follows:

18 (a) For fire protection for school districts located in a fire
19 protection district as now or hereafter established pursuant to chapter
20 52.04 RCW, a maximum of \$375,000 may be expended in each fiscal year.

21 (b) For summer vocational programs at skills centers, a maximum of
22 \$1,612,000 may be expended in fiscal year 1992 and a maximum of
23 \$1,775,000 may be expended in fiscal year 1993.

24 (c) A maximum of \$272,000 may be expended for school district
25 emergencies.

26 (9) For the purposes of RCW 84.52.0531, the increase per full time
27 equivalent student in state basic education appropriations provided
28 under this act, including appropriations for salary and benefits
29 increases, is 3.00 percent from the 1990-91 school year to the 1991-92

SPI--For General Apportionment (Basic Education)--cont.

1 school year, and 3.5 percent from the 1991-92 school year to the
2 1992-93 school year.

3 (10) For each school year, the funding provided under subsection
4 (2)(a) of this section shall be based on a ratio of 52.3 certificated
5 instructional staff per thousand students in kindergarten through grade
6 three only if the district documents an actual ratio of at least 52.3
7 full time basic education certificated instructional staff per thousand
8 full time equivalent students at those grade levels. For any school
9 district documenting a lower ratio, the funding provided under this
10 section shall be based on the district's actual K-3 ratio achieved in

13 NEW SECTION. **Sec. 503. FOR THE SUPERINTENDENT OF PUBLIC**
14 **INSTRUCTION--BASIC EDUCATION EMPLOYEE COMPENSATION INCREASES**

15 General Fund Appropriation \$ 235,260,000

16 The appropriation in this section is subject to the following
17 conditions and limitations:

18 (1) The following calculations determine the salaries used in the
19 general fund allocations for certificated instructional, certificated
20 administrative, and classified staff units under section 502 of this
21 act:

22 (a) Salary allocations for certificated instructional staff units
23 shall be determined for each district by multiplying the district's
24 certificated instructional derived base salary shown on LEAP Document
25 12, increased by 7.12 percent, by the district's average staff mix
26 factor for basic education certificated instructional staff in that
27 school year, computed using LEAP Document 1R.

SPI--Basic Education Employee Compensation Increases--cont.

1 (b) Salary allocations for certificated administrative staff units
2 shall be determined for each district by the district's certificated
3 administrative salary allocation amounts shown on LEAP Document 12
4 increased by 2.5 percent of the state-wide average shown on the
5 document.

6 (c) Salary allocations for classified staff units shall be
7 determined for each district by the district's classified salary
8 allocation amounts shown on LEAP Document 12 increased by 8.16 percent
9 of the state-wide average shown on the document.

10 (2)(a) Districts shall certify to the superintendent of public
11 instruction such information as may be necessary regarding the years of
12 service and educational experience of basic education certificated
13 instructional employees for the purposes of calculating certificated
14 instructional staff salary allocations pursuant to this section. Any
15 change in information previously certified, on the basis of years of
16 experience or educational credits, shall be reported and certified to
17 the superintendent of public instruction at the time such change takes
18 place.

19 (b) For the purposes of this section, "basic education certificated
20 instructional staff" is defined as provided in RCW 28A.150.100.

21 (c) "LEAP Document 1R" means the computerized tabulation
22 establishing staff mix factors for basic education certificated
23 instructional staff according to education and years of experience, as
24 developed on May 7, 1989, at 11:00 hours.

25 (d) "LEAP Document 12" means the computerized tabulation of 1988-89
26 salary allocations for basic education certificated administrative
27 staff and basic education classified staff and 1988-89 derived base
28 salaries for basic education certificated instructional staff as
29 developed on April 20, 1989, at 14:15 hours.

SPI--Basic Education Employee Compensation Increases--cont.

1 (e) The incremental fringe benefits factors applied to salary
2 increases in this section shall be 1.2047 for certificated salaries and
3 1.1534 for classified salaries in the 1991-92 and 1992-93 school years.

4 (3) \$20,664,000 is provided solely to increase allocations for
5 certificated administrative staff units provided under section 502 of
6 this act, pursuant to this subsection. For the 1991-92 and 1992-93
7 school years, the allocation for each certificated administrative staff
8 unit shall be increased by 4.4 percent and 8.37 percent, respectively,
9 of the state-wide average certificated administrative salary shown on
10 LEAP Document 12 as adjusted by subsection (1)(b) of this section
11 multiplied by incremental fringe benefits.

12 (4) \$37,528,000 is provided solely to increase allocations for
13 classified staff units provided under section 502 of this act, pursuant
14 to this subsection. For the 1991-92 and 1992-93 school years, the
15 allocation for each classified staff unit shall be increased by 4.4
16 percent and 8.37 percent, respectively, of the 1988-89 state-wide
17 average classified salary shown on LEAP Document 12 as adjusted by
18 subsection (1)(c) of this section multiplied by incremental fringe
19 benefits.

20 (5) \$177,068,000 is provided solely to increase allocations for
21 certificated instructional staff units provided under section 502 of
22 this act, pursuant to this subsection:

23 (a) For any district with a derived base salary greater than
24 \$17,600 on LEAP Document 12, the allocation for each certificated
25 instructional staff unit for the 1991-92 and 1992-93 school year shall
26 be increased by 4.4 percent of the district's salary allocation per
27 certificated instructional staff unit computed under subsection (1)(a)
28 of this section, adjusted for incremental fringe benefits. For the
29 1992-93 school year, the allocation for each certified instructional

SPI--Basic Education Employee Compensation Increases--cont.

1 staff unit shall be increased by an additional 3.97 percent of the
2 amount calculated under subsection (1)(a) of this section and by
3 incremental fringe benefits.

4 (b) For any district with a derived base salary of \$17,600 on LEAP
5 Document 12, the allocation for each certificated instructional staff
6 unit in the 1991-92 school year shall be increased by the difference
7 between:

8 (i) The district's salary allocation per certificated instructional
9 staff unit computed under subsection (1)(a) of this section, adjusted
10 for incremental fringe benefits; and

11 (ii) The district's 1991-92 average certificated instructional
12 staff allocation salary as determined by placing the district's actual
13 full time equivalent basic education certificated instructional staff
14 on the state-wide salary allocation schedule established in subsection
15 (6) of this section, adjusted for incremental fringe benefits.

16 (c) For any district with a derived base salary of \$17,600 on LEAP
17 Document 12, the allocation for each certificated instructional staff
18 unit in the 1992-93 school year shall be increased by the difference
19 between:

20 (i) The district's salary allocation per certificated instructional
21 staff unit computed under subsection (1)(a) of this section, adjusted
22 for incremental fringe benefits; and

23 (ii) The district's 1992-93 average certificated instructional
24 staff allocation salary as determined by placing the district's actual
25 full time equivalent basic education certificated instructional staff
26 on the state-wide salary allocation schedule established in subsection
27 (7) of this section, adjusted for incremental fringe benefits.

4 The appropriations in this section are subject to the following
5 conditions and limitations:

6 (1) \$282,000 of the general fund--state appropriation is provided
7 solely for teacher in-service training in math, science, and computer
8 technology.

9 (2) \$651,000 of the general fund--state appropriation is provided
10 solely for teacher training workshops conducted by the Pacific science
11 center. \$496,000 of this amount is for in-service training in science
12 to be provided to approximately ten percent of the kindergarten through
13 eighth grade teachers each year.

14 (3) \$2,301,000 of the general fund--state appropriation is provided
15 solely for operation by the educational service districts of regional
16 computer demonstration centers and computer information centers.

17 (4) \$872,000 of the general fund--state appropriation and \$413,000
18 of the general fund--federal appropriation are provided solely for
19 teacher training in drug and alcohol abuse education and prevention in
20 kindergarten through grade twelve. The amount provided in this
21 subsection includes \$300,000 from license fees collected pursuant to
22 RCW 66.24.320 and 66.24.330 which are dedicated to juvenile drug and
23 alcohol prevention programs under RCW 66.08.180(4).

24 (5) \$2,825,000 of the general fund--state appropriation is provided
25 solely for training of paraprofessional classroom assistants and
26 classroom teachers to whom the assistants are assigned.

SPI--For School District Support--cont.

1 (6) \$350,000 of the general fund--state appropriation is provided
2 solely for grants to school districts for multicultural inservice
3 training.

4 (7) \$100,000 of the general fund--state appropriation is provided
5 solely to contract with the Henry M. Jackson school of international
6 studies at the University of Washington to provide inservice training
7 programs, technical assistance to school districts, and dissemination
8 of curriculum materials related to international education.

9 (8) \$10,400,000 of the drug enforcement and education account
10 appropriation is provided solely to support school district substance
11 abuse awareness programs as provided under chapter 28A.170 RCW.

12 (9) \$3,113,000 of the drug enforcement and education account
13 appropriation is provided solely for matching grants to enhance
14 security in secondary schools. School districts which apply for such
15 grants shall ensure that no more than seventy-five percent of the
16 district's total expenditures for school security in any school year
17 are supported by the grant amounts. The grants shall be expended
18 solely for the costs of employing or contracting for building security
19 monitors in secondary schools during school hours and school events.

20 NEW SECTION. **Sec. 517. FOR THE SUPERINTENDENT OF PUBLIC**
21 **INSTRUCTION--FOR SPECIAL AND PILOT PROGRAMS**

22	General Fund Appropriation--State	\$	23,119,000
23	General Fund Appropriation--Federal	\$	4,406,000
24	TOTAL APPROPRIATION	\$	27,525,000

25 The appropriations in this section are subject to the following
26 conditions and limitations:

SPI--Special and Pilot Programs--cont.

1 (1) \$1,731,000 of the general fund--state appropriation is provided
2 solely for a contract with the Pacific science center for travelling
3 van programs and other educational services for public schools.

4 (2) \$88,000 of the general fund--state appropriation is provided
5 solely for a contract with the Cispus learning center for environmental
6 education programs.

7 (3) \$2,000,000 of the general fund--federal appropriation is
8 provided solely to fund innovative programs that are targeted to
9 providing special assistance to at-risk students.

10 (4) \$10,369,000 of the general fund--state appropriation is
11 provided solely for the schools for the twenty-first century pilot
12 programs established by RCW 28A.630.100 through 28A.630.290.

13 (5) \$2,312,000 of the general fund--state appropriation is provided
14 solely for the beginning teachers assistance program established under
15 RCW 28A.405.450. Moneys shall be distributed under this subsection at
16 a maximum rate per mentor/beginning teacher team of \$1,780 per year.

17 (6) \$204,000 of the general fund--state appropriation is provided
18 solely for child abuse education provisions of RCW 28A.300.150 through
19 28A.300.160.

20 (7) \$1,519,000 of the general fund--state appropriation is provided
21 solely for grants to public or private nonprofit organizations to
22 assist parents of children in headstart or early childhood education
23 and assistance programs, who are enrolled in adult literacy classes or
24 tutoring programs under RCW 28A.610.010 through 28A.610.020. Grants
25 provided under this subsection may be used for scholarships, costs of
26 transportation and child care, and other support services. Moneys
27 provided under this subsection may not be used by the superintendent of
28 public instruction for state administrative costs.

SPI--Special and Pilot Programs--cont.

1 (8) \$400,000 of the general fund--state appropriation is provided
2 solely for grants for drop-out prevention and retrieval programs
3 established under chapter 28A.175 RCW.

4 (9) \$126,000 of the general fund--state appropriation is provided
5 solely to establish and operate a toll-free telephone number at the
6 Lifeline Institute to assist school districts in youth suicide
7 prevention.

8 (10) \$4,410,000 of the general fund--state appropriation is
9 provided solely for early intervention and prevention services. Early
10 intervention and prevention services include but are not limited to
11 services provided by school counselors, school psychologists, school
12 nurses, school social workers, licensed mental health professionals,
13 child psychiatrists, appropriate health care providers, and social
14 service caseworkers or social workers on contract. Services may be
15 provided by private contractors. School districts and educational
16 service districts receiving moneys under this subsection shall be
17 required to establish formal agreements for coordinated case management
18 with lead mental health agencies and other public or private social
19 service agencies in the community. The allocations may be used to hire
20 additional staff, to contract for staff or services, or to conduct
21 training related to the district's early intervention and prevention
22 program. The superintendent of public instruction shall distribute
23 funds provided in this subsection equitably to all school districts
24 based on the district's enrollment in kindergarten through grade six.
25 However, the allocations for school districts enrolling fewer than
26 1,000 full time equivalent students shall be distributed to the
27 educational service district in which the district is located. The
28 educational service district shall use the allocation to provide early
29 intervention and prevention services under a cooperative agreement

SPI--Special and Pilot Programs--cont.

1 between the district and the educational service district. Educational
2 service districts shall coordinate the use of staff and resources to
3 serve school districts under this section. School districts and
4 educational service districts may not use the grants to supplant
5 funding from other sources previously provided for counseling or
6 intervention services.

7 (11) \$1,470,000 of the general fund--state appropriation is
8 provided solely for grants to Seattle and Tacoma school districts for
9 magnet school programs established to encourage racial integration of
10 schools through voluntary student transfers. The grants shall be used
11 solely to support the development and implementation of specialized
12 curricula and instructional programs that assist in the elimination,
13 reduction, or prevention of minority group isolation. Placement of
14 students in magnet programs shall not be based on test scores or
15 grades. Grants shall be expended solely for planning and promotional
16 activities; acquisition of books, materials, and equipment needed
17 specifically to implement magnet programs; staff training designed
18 specifically to assist in the development of magnet programs; and
19 certificated staff assigned to instructional programs that are in
20 addition to the school's core basic skills curriculum and that are an
21 integral part of the magnet program. Grants may not be used to
22 supplant other moneys used previously for magnet schools, other than to
23 offset reductions in total federal magnet school grants received by the
24 district. Grants may be used for staff development days only if these
25 days are in addition to district-wide increases in supplemental
26 contract days for certificated instructional staff.

27 (12) \$490,000 of the general fund--state appropriation is provided
28 solely for grants for homeless children education programs. The grant
29 applications shall be submitted jointly by school districts and at

SPI--Special and Pilot Programs--cont.

1 least one shelter within the district serving homeless families. The
2 grants are not intended to fund separate instructional programs for
3 homeless children unless the services are necessary to facilitate
4 adjustment into a regular classroom setting. The grants may be used
5 for staffing, for coordinating the transfer of records, for
6 transportation, for student assessment, or for other individualized
7 instruction or assistance.

8 (13) \$100,000 of the general fund--federal appropriation is
9 provided solely for youth suicide prevention and intervention services.

15 General Fund Appropriation \$ 22,975,000

16 The appropriation in this section is subject to the following
17 conditions and limitations:

18 (1) \$1,476,000 is provided solely for the remaining months of the
19 1990-91 school year.

20 (2) The superintendent shall distribute funds for the 1991-92 and
21 1992-93 school years at a rate for each year of \$509 per eligible
22 student.

23 (3) No indirect charges may be charged against this program.

1 General Fund Appropriation \$ 91,699,000

2 The appropriation in this section is subject to the following
3 conditions and limitations:

4 (1) \$8,887,000 is provided solely for the remaining months of the
5 1990-91 school year.

6 (2) Funding for school district learning assistance programs
7 serving kindergarten through grade nine shall be distributed during the
8 1991-92 and 1992-93 school years at a maximum rate of \$426 per unit as
9 calculated pursuant to this subsection. The number of units for each
10 school district in each school year shall be the sum of: (a) The
11 number of full time equivalent students enrolled in kindergarten
12 through grade six in the district multiplied by the percentage of the
13 district's students taking the fourth grade basic skills test who
14 scored in the lowest quartile as compared to national norms, and then
15 reduced by the number of students ages eleven and below in the district
16 who are identified as specific learning disabled and are served through
17 programs established pursuant to chapter 28A.155 RCW; and (b) the
18 number of full time equivalent students enrolled in grades seven
19 through nine in the district multiplied by the percentage of the
20 district's students taking the eighth grade basic skills test who
21 scored in the lowest quartile as compared to national norms, and then
22 reduced by the number of students ages twelve through fourteen in the
23 district who are identified as specific learning disabled and are
24 served through programs established pursuant to chapter 28A.155 RCW.
25 In determining these allocations, the superintendent shall use the most
26 recent prior five-year average scores on the fourth grade and eighth
27 grade state-wide basic skills tests.

28 (3) No indirect charges may be charged against this program.

NEW SECTION. **Sec. 601.** The appropriations in sections 602 through 610 of this act are subject to the following conditions and limitations:

(1) For the purposes of this section and sections 602 through 610 of this act, "institutions of higher education" means the institutions receiving appropriations pursuant to sections 602 through 610 of this act.

(2)(a) Student Quality Standard: Each institution shall adhere to biennial budgeted enrollment levels. During each fiscal year of the 1991-93 fiscal biennium, each institution of higher education shall not spend less than the average biennial amount listed in this subsection per full time equivalent student, plus or minus two percent each year of the biennium. The amounts include total appropriated general fund--state operating expenditures, less expenditures for plant maintenance and operation, with the exception of Washington State University, where cooperative extension and agriculture research expenditures are also excluded.

Western Washington University . .	\$	5,359	5,569

1 State Board for Community College

2 Education \$ 3,323 3,404

3 (b) Budgeted Enrollments: Each institution shall enroll to their
4 budgeted annual average full time equivalent enrollments, plus or minus
5 two percent. If an institution's actual average annual 1991-92 full
6 time equivalent student enrollment varies from the budgeted amount by
7 more than two percent, an amount equal to the student quality standard
8 as calculated in 2(a) of this subsection per full time equivalent
9 student above or below the two percent variance shall be reverted to
10 the state general fund. If an institution's actual average annual
11 1992-93 full time equivalent student enrollment varies from the
12 budgeted amount by more than two percent, an amount equal to the
13 student quality standard as calculated in 2(a) of this subsection per
14 full time equivalent student above or below the two percent variance
15 shall be reverted to the state general fund.

27 (c) Facilities Quality Standard: During the 1991-93 biennium, no
28 institution of higher education may allow its expenditures for plant

1 operation and maintenance to fall more than five percent below the
2 amounts allotted for this purpose.

3 (3)(a) The following are maximum amounts that each institution may
4 spend from the appropriations in sections 602 through 610 of this act
5 for staff salary increases on January 1, 1992, and January 1, 1993.

		1991-92	1992-93

16	Board \$	43,000	123,000

17 (b) The amounts listed in (3)(a) of this subsection are intended to
18 provide staff salary increases up to 4.4 percent on January 1, 1992 and
19 3.8 percent on January 1, 1993. An institution that grants salary
20 increases that equal less than the authorized amount either on an
21 annual or biennial basis cannot commit the state to future expenditures
22 in excess of what bowwave expenditures would have been had the
23 institution granted the authorized salary increases.

24 (c) The salary increases authorized under this subsection may be
25 granted to state employees at Washington State University who are
26 supported in full or in part by federal land grant formula funds.

23 General Fund Appropriation--Federal \$ 229,400

HIGHER EDUCATION COORDINATING BOARD--Policy Coordination and Administration--cont.

1 TOTAL APPROPRIATION \$ 3,712,354

2 The appropriations in this section are provided to carry out the
3 policy coordination, planning, studies, and administrative functions of
4 the board. The appropriations are subject to the following conditions
5 and limitations:

6 (1) The Spokane Joint Center for Higher Education was established
7 to provide a forum for discussion of Spokane higher education needs.
8 The center's responsibilities and duties duplicate and are subject to
9 the higher education coordinating board's approval. It is the intent
10 of the legislature to have the higher education coordinating board
11 review the continuing need for the Spokane Joint Center. The higher
12 education coordinating board shall make a recommendation to continue or
13 discontinue the Spokane Joint Center by November 1, 1991, to the
14 governor and legislature.

15 (2) The higher education coordinating board is directed to review
16 the cost of each degree program at the four-year institutions and
17 identify those programs which are high cost and produce few students
18 and graduates. The higher education coordinating board shall recommend
19 to discontinue or continue programs which it determines to be high cost
20 and to produce few students and graduates. These reviews should be
21 completed by September 1, 1992.

22 (3) It is the intent of the legislature to incorporate formally
23 student outcomes into the 1993-95 operating budget process. The higher
24 education coordinating board is directed to recommend to the
25 legislature and governor by December 1, 1991, how this should be done.

26 (4) The need grant award to any individual shall not exceed the
27 amount received by a student attending a state research university.

1 points in the project life cycle; a description of variance control
2 measures; a definitive schedule that shows the elapsed time estimated
3 to complete the project and when each task is to be started and
4 completed; and a description of resource requirements to accomplish the
5 activities within specified time, cost, and functionality constraints.

6 (3) A copy of each feasibility study and project management plan
7 shall be provided to the department of information services, the office
8 of financial management, and appropriate legislative committees.
9 Authority to expend any funds for individual information systems
10 projects is conditioned on approval of the relevant feasibility study
11 and project management plan by the department of information services
12 and the office of financial management.

13 (4) A project status report shall be submitted to the department of
14 information services, the office of financial management, and
15 appropriate legislative committees for each project prior to reaching
16 key decision points identified in the project management plan. Project
17 status reports shall examine and evaluate project management,
18 accomplishments, budget, action to address variances, risk management,
19 cost and benefits analysis, and other aspects critical to completion of
20 a project.

21 Work shall not commence on any task in a subsequent phase of a
22 project until the status report for the preceding key decision point
23 has been approved by the department of information services and the
24 office of financial management.

25 (5) If a project review is requested in accordance with department
26 of information services policies, the reviews shall examine and
27 evaluate: System requirements specifications; scope; system
28 architecture; change controls; documentation; user involvement;
29 training; availability and capability of resources; programming

1 languages and techniques; system inputs and outputs; plans for testing,
2 conversion, implementation, and post-implementation; and other aspects
3 critical to successful construction, integration, and implementation of
4 automated systems. Copies of project review written reports shall be
5 forwarded to the office of financial management and appropriate
6 legislative committees by the agency.

7 (6) A written post-implementation review report shall be prepared
8 by the agency for each information systems project in accordance with
9 published department of information services instructions. In addition
10 to the information requested pursuant to the department of information
11 services instructions, the post-implementation report shall evaluate
12 the degree to which a project accomplished its major objectives
13 including, but not limited to, a comparison of original cost and
14 benefit estimates to actual costs and benefits achieved. Copies of the
15 post- implementation review report shall be provided to the department
16 of information services, the office of financial management, and
17 appropriate legislative committees.

18 NEW SECTION. **Sec. 803.** The department of information services
19 will act as lead agency in coordinating video telecommunications
20 services for state agencies. As lead agency, the department shall
21 develop standards and common specifications for leased and purchased
22 telecommunications equipment and assist state agencies in developing a
23 video telecommunications expenditure plan. No agency may spend any
24 portion of any appropriation in this act for new video
25 telecommunication equipment, new video telecommunication transmission,
26 or new video telecommunication programming, or for expanding current
27 video telecommunication systems without first complying with chapter
28 43.105 RCW, including but not limited to RCW 43.105.041(2), and without

1 first submitting a video telecommunications expenditure plan, in
2 accordance with the policies of the department of information services,
3 for review and assessment by the department of information services
4 under RCW 43.105.052. Prior to any such expenditure by a public
5 school, a video telecommunications expenditure plan shall be approved
6 by the superintendent of public instruction. The office of the
7 superintendent of public instruction shall submit the plans to the
8 department of information services in a form prescribed by the
9 department. The office of the superintendent of public instruction
10 shall coordinate the use of video telecommunications in public schools
11 by providing educational information to local school districts and
12 shall assist local school districts and educational service districts
13 in telecommunications planning and curriculum development. Prior to
14 any such expenditure by a public institution of postsecondary
15 education, a telecommunications expenditure plan shall be approved by
16 the higher education coordinating board. The higher education
17 coordinating board shall coordinate the use of video telecommunications
18 for instruction and instructional support in postsecondary education,
19 including the review and approval of instructional telecommunications
20 course offerings.

21 NEW SECTION. **Sec. 804.** Whenever allocations are made from the
22 governor's emergency fund appropriation to an agency that is financed
23 in whole or in part by other than general fund moneys, the director of
24 financial management may direct the repayment of such allocated amount
25 to the general fund from any balance in the fund or funds which finance
26 the agency. No appropriation shall be necessary to effect such
27 repayment.

1 NEW SECTION. **Sec. 805.** In addition to the amounts appropriated in
2 this act for revenue for distribution, state contributions to the law
3 enforcement officers' and fire fighters' retirement system, and bond
4 retirement and interest including ongoing bond registration and
5 transfer charges, transfers, interest on registered warrants, and
6 certificates of indebtedness, there is also appropriated such further
7 amounts as may be required or available for these purposes under any
8 statutory formula or under any proper bond covenant made in accordance
9 with law.

10 NEW SECTION. **Sec. 806.** In addition to such other appropriations
11 as are made by this act, there is hereby appropriated to the state
12 finance committee from legally available bond proceeds in the
13 applicable construction or building funds and accounts such amounts as
14 are necessary to pay the expenses incurred in the issuance and sale of
15 the subject bonds.

16 NEW SECTION. **Sec. 807.** Notwithstanding RCW 43.01.090 the
17 house of representatives, the senate, and the permanent
18 statutory committees shall pay expenses quarterly to the department of
19 general administration facilities and services revolving fund for
20 services rendered by the department for operations, maintenance, and
21 supplies relating to buildings, structures, and facilities used by
22 the legislature for the biennium beginning July 1, 1991.

23 NEW SECTION. **Sec. 808.** Amounts received by an agency as
24 reimbursements pursuant to RCW 39.34.130 shall be considered as
25 returned loans of materials supplied or services rendered. Such
26 amounts may be expended as a part of the original appropriation of

1 the fund to which it belongs, without further or additional
2 appropriation, subject to conditions and procedures prescribed by
3 the director of financial management, which shall provide for
4 determination of full costs, disclosure of such
5 reimbursements in the governor's budget, maximum interagency usage of
6 data processing equipment and services, and such restrictions as will
7 promote more economical operations of state government without
8 incurring continuing costs beyond those reimbursed.

9 NEW SECTION. **Sec. 809.** The appropriations of moneys and the
10 designation of funds and accounts by this and other acts of the 1991
11 legislature shall be construed in a manner consistent with
12 legislation enacted by the 1985, 1987, and 1989 legislatures to
13 conform state funds and accounts with generally accepted
14 accounting principles.

15 NEW SECTION. **Sec. 810.** If any provision of this act or its
16 application to any person or circumstance is held invalid, the
17 remainder of the act or the application of the provision to other
18 persons or circumstances is not affected.

19 NEW SECTION. **Sec. 811.** This act is necessary for the immediate
20 preservation of the public peace, health, or safety, or support of the
21 state government and its existing public institutions, and shall take
22 effect July 1, 1991.
