
SENATE BILL 6148

State of Washington 52nd Legislature 1992 Regular Session

By Senators Moore and Snyder

Read first time 01/20/92. Referred to Committee on Commerce & Labor.

1 AN ACT Relating to applications for business licenses; adding a new
2 section to chapter 66.24 RCW; adding a new section to chapter 9.46 RCW;
3 and creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that:

6 (1) State agencies often act in an inefficient manner;

7 (2) State agencies often duplicate activities performed by other
8 agencies;

9 (3) Such inefficiency and duplication places an unnecessary burden
10 on those citizens conducting business with the state;

11 (4) It is the intent of this act to decrease the inefficiency of
12 state agencies, reduce the duplication of activities performed by state
13 agencies, and relieve the burden placed on citizens conducting business
14 with the state.

1 NEW SECTION. **Sec. 2.** A new section is added to chapter 66.24 RCW
2 to read as follows:

3 (1) The board and the gambling commission shall jointly adopt one
4 set of application forms to be completed by those persons,
5 partnerships, or corporations seeking licenses from these two agencies.
6 These forms shall be adopted by July 1, 1993. Those persons,
7 partnerships, or corporations applying for a license from the board who
8 are simultaneously applying for a license from the gambling commission
9 shall be required to complete only one set of application forms. This
10 requirement shall not prohibit the board from requiring applicants to
11 submit information relevant solely to the issuance of a liquor license.

12 (2) The board or its authorized representatives shall:

13 (a) Provide to the gambling commission copies of all records
14 submitted and other relevant information provided by those persons,
15 partnerships, or corporations who have received a liquor license from
16 the board in the preceding six months and are now seeking a license
17 from the gambling commission. An authorization from the applicant for
18 the release of such records and information is not required for the
19 transfer of these records and information;

20 (b) Work cooperatively with the gambling commission in completing
21 the required review of records and background investigations on
22 applicants seeking licenses from these agencies and shall avoid
23 unnecessary duplication of work; and

24 (c) Provide the gambling commission with all requested records and
25 information in a prompt manner.

26 NEW SECTION. **Sec. 3.** A new section is added to chapter 9.46 RCW
27 to read as follows:

28 (1) The commission and the liquor control board shall jointly adopt
29 one set of application forms to be completed by those persons,

1 partnerships, or corporations seeking licenses from these two agencies.
2 These forms shall be adopted by July 1, 1993. Those persons,
3 partnerships, or corporations applying for a license from the
4 commission who are simultaneously applying for a license from the
5 liquor control board shall be required to complete only one set of
6 application forms. In addition, in the event that an applicant for a
7 gambling license has been granted a liquor license by the liquor
8 control board within the preceding six months, the commission shall
9 request and be provided with a copy of all forms completed by such
10 persons, partnerships, or corporations from the liquor control board.
11 In such instances, the applicants shall not be required to complete
12 another set of application forms. An authorization from the applicant
13 for the release of such records and information is not required for the
14 transfer of these records and information. These requirements shall
15 not prohibit the commission from requiring applicants to submit
16 information relevant solely to the issuance of a gambling license or
17 prohibit the commission from completing the required investigation of
18 applicants.

19 (2) The commission or its authorized representatives shall work
20 cooperatively with the liquor control board in completing the required
21 review of records and background investigations on applicants seeking
22 licenses from these agencies and shall avoid unnecessary duplication of
23 work.
