1 AN ACT Relating to urban/rural economic partnerships; amending RCW
2 43.63A.560; adding new sections to chapter 43.63A RCW; and creating new
3 sections.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** Economic vitality is an integral
6 component of each community in the state of Washington and is necessary
7 to ensure a high standard of living and job opportunities for each
8 citizen of the state. During the 1980's, the Puget Sound region has
9 experienced dramatic growth as compared to a moderate increase or even
10 economic decline in rural parts of the state. This economic disparity
11 has provided a unique opportunity for a meaningful economic partnership
12 between both areas of Washington that will assist in transferring
13 excessive business growth in the Puget Sound to rural areas that are in
14 need of increased business activity. The intent of this act in

1 establishing this partnership is to improve the quality of life across
2 Washington and provide quality job opportunities for each citizen of
