AS RECOMMENDED BY THE CONFERENCE COMMITTEE

Passed Legislature - 1991 Regular Session

State of Washington 52nd Legislature 1991 Regular Session

By Senators Bauer, Saling, Rinehart, Bailey and Murray.

Read first time February 1, 1991. Referred to Committee on Higher Education.

1 AN ACT Relating to higher education; amending RCW 28B.108.010,
2 28B.108.030, and 28B.108.070; adding new sections to Title 28B RCW;
3 adding new sections to chapter 28B.80 RCW; adding a new section to
4 chapter 28B.15 RCW; creating new sections; and providing an expiration
5 date.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** The legislature finds that the quality
8 of undergraduate education is enhanced by association with graduate
9 assistants from other countries who can effectively communicate their
10 knowledge and diverse cultural backgrounds.

11 It is the intent of the legislature to assist the institutions in
12 their effort to improve the quality of undergraduate education at the
13 state's four-year colleges and universities. Attainment of an
14 excellent education is facilitated when communication is clear,
15 concise, sensitive to cultural differences, and demonstrative of proven

1 pedagogical skills. It is the further intent of the legislature to
2 assure students and parents that graduate teaching assistants at our
3 state institutions of higher education are able to communicate
4 effectively and understandably with undergraduate students.

5 NEW SECTION. **Sec. 2.** The Washington state legislature affirms
6 the following principles:

7 (1) Washington's college and university students are entitled to
8 excellent instruction at the state's institutions of higher education.
9 Excellent education requires the ability to communicate effectively in
10 college classrooms and laboratories.

11 (2) The presence of students, faculty, and staff from other
12 countries on Washington's college campuses enriches the educational
13 experience of Washington's students and enhances scholarship and
14 research at the state's colleges and universities.

15 (3) With the exception of courses designed to be taught primarily
16 in a foreign language, undergraduate students shall be provided with
17 classroom instruction, laboratory instruction, clinics, seminars,
18 studios, and other participatory and activity courses by a person
19 fluent in both the spoken and written English language.

20 (4) Persons of all nationalities, races, religions, and ethnic
21 backgrounds are welcome and valued in the state of Washington.

22 NEW SECTION. **Sec. 3.** The governing board of each state
23 university, regional university, state college, and community college
24 shall ensure that the principles in section 1 of this act are
25 implemented at its institution of higher education.

26 NEW SECTION. **Sec. 4.** The council of presidents, in
27 consultation with the higher education coordinating board, shall

1 convene a task force of representatives from the four-year universities
2 and colleges. The task force shall:

3 (1) Review institutional policies and procedures designed to ensure
4 that faculty and teaching assistants are able to communicate
5 effectively with undergraduate students in classrooms and laboratories;

6 (2) Research methods and procedures designed to improve the
7 communication and teaching skills of any person funded by state money
8 who instructs undergraduate students in classrooms and laboratories;

9 (3) Share the results of that research with each participating
10 university and college; and

11 (4) Work with each participating university and college to assist
12 the institution in its efforts to improve the communication and
13 pedagogical skills of faculty and teaching assistants instructing
14 undergraduate students.

15 NEW SECTION. **Sec. 5.** The legislature finds that sick leave
16 policies for faculty members and administrators at the state's
17 institutions of higher education are inconsistent. The legislature
18 further finds that sick leave policies for faculty and administrators
19 at some institutions of higher education differ substantially from
20 policies for other state employees. It is the intent of the
21 legislature that sick leave policies are uniform and consistent for all
22 faculty and administrators hired after May 1, 1992, at the state's
23 community colleges, regional universities, state college and research
24 universities.

25 NEW SECTION. **Sec. 6.** The higher education coordinating board,
26 in consultation with the state board for community college education,
27 shall study institutional sick leave policies and shall recommend a
28 mandated uniform and consistent policy for all faculty and

1 administrators hired after May 1, 1992, at all public higher education
2 institutions. By December 1, 1991, the uniform policy, and proposed
3 legislation to implement that policy, shall be submitted to the senate
4 and house committees on higher education.

5 NEW SECTION. **Sec. 7.** The higher education coordinating board
6 shall establish an advisory committee on access to higher education for
7 students with disabilities. The committee shall include but need not
8 be limited to representation from the following: Students with
9 disabilities, coordinators of services for students with disabilities,
10 the governor's committee on disability issues and employment, and
11 agencies and organizations that work with or represent persons with
12 disabilities.

13 NEW SECTION. **Sec. 8.** In consultation with the advisory
14 committee on access to higher education for students with disabilities
15 the board shall:

16 (1) Inventory existing campus and agency resources available to
17 address the accommodation needs of students with disabilities;

18 (2) Distribute the inventory to institutions of higher education
19 and to the superintendent of public instruction for further
20 distribution to appropriate personnel in the K-12 system;

21 (3) Survey institutions of higher education and students with
22 disabilities to identify specific services that have been requested but
23 not provided;

24 (4) Report the results of the survey, with recommendations on a
25 phased plan to meet identified needs in priority order, to the
26 governor, the house of representatives and senate higher education and
27 fiscal committees, and the institutions of higher education;

1 (5) In coordination with the state board for community college
2 education, conduct a state-wide training workshop for coordinators of
3 services for students with disabilities.

4 NEW SECTION. **Sec. 9.** Sections 7 and 8 of this act are each
5 added to chapter 28B.80 RCW.

6 **Sec. 10.** RCW 28B.108.010 and 1990 c 287 s 2 are each amended to
7 read as follows:

8 Unless the context clearly requires otherwise, the definitions in
9 this section apply throughout this chapter.

10 (1) "Institution of higher education" or "institution" means a
11 college or university in the state of Washington which is accredited by
12 an accrediting association recognized as such by rule of the higher
13 education coordinating board.

14 (2) "Board" means the higher education coordinating board.

15 (3) "Eligible student" or "student" means an American Indian

27 be composed of representatives of the same groups as the screening

1 committee described in RCW 28B.108.020. ((These)) The criteria shall
2 assess the student's social and cultural ties to an American Indian
3 community within the state. The criteria shall include a priority for
4 upper-division or graduate students. The criteria may include a
5 priority for students who are majoring in program areas in which
6 expertise is needed by the state's American Indians.

7 **Sec. 12.** RCW 28B.108.070 and 1990 c 287 s 8 are each amended to
8 read as follows:

9 The higher education coordinating board may request that the
10 treasurer deposit ((five hundred)) fifty thousand dollars of state
11 matching funds into the American Indian scholarship endowment fund when
12 the board can match the state funds with an equal amount of private
13 cash donations. Private cash donations means moneys from nonstate
14 sources that include, but are not limited to, federal moneys, tribal
15 moneys, and assessments by commodity commissions authorized to conduct
16 research activities, including but not limited to research studies
17 authorized under RCW 15.66.030 and 15.65.040.

18 NEW SECTION. **Sec. 13.** It is the intent of the legislature to
19 enable Washington residents who have actively served in the Persian
20 Gulf combat zone to attend any Washington institution of higher
21 education at 1990 tuition rates.

22 NEW SECTION. **Sec. 14.** A new section is added to chapter 28B.15
23 RCW to read as follows:
