Brief Description: Creating a procedure for local government service agreements.

**HB 1015-S - DIGEST**

(AS OF HOUSE 2ND READING 1/28/92)

Establishes a process for local government service agreements to determine which local governments should provide various services and facilities within specified areas.

Specifies the necessary elements of the service agreements.

Requires every county with a population of one hundred thousand or more to have at least one local government service agreement in effect by January 1, 1994.

Provides for the abolishment of boundary review boards in certain specified circumstances.

Specifies the duties and responsibilities of the department of community development in assisting local government service agreements.

Provides a funding mechanism through alteration of sales and use taxes.

Takes effect on the same date as the proposed amendment to Article XI of the state Constitution.
