

1457-S

Sponsor(s): House Committee on Environmental Affairs (originally sponsored by Representatives Haugen, Wilson and Zellinsky)

Brief Description: Prohibiting additives for on-site sewage disposal systems.

HB 1457-S.E - DIGEST

(AS OF HOUSE 2ND READING 1/22/92)

Provides that, after July 1, 1992, a person may not use, sell, or distribute an additive to on-site sewage disposal systems, unless the department approves the additive as having a positive affect.

Provides civil penalties for violations.
