

1654-S

Sponsor(s): House Committee on Environmental Affairs (originally sponsored by Representatives Rust and Horn)

Brief Description: Authorizing cities and towns to compel county residents to hook up to sewer systems.

HB 1654-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Requires owners within two hundred feet of a sewer system to connect to the system after a finding that on-site systems degrade water quality in the region.
