Sponsor(s): House Committee on Commerce & Labor (originally sponsored by Representatives Prentice, Winsley, Heavey, Basich, Jones, R. King, G. Cole, Ogden, Hargrove, Fraser, Day, Braddock, Sprenkle, Dellwo, Wineberry, Spanel and Roland)

Brief Description: Addressing workplace hazards and pregnancy.

HB 1725-S.E - DIGEST

(AS OF HOUSE 2ND READING 3/20/91)

Requires the director to adopt health and safety standards addressing employee exposure to chemical, biological, or physical reproductive hazards.

Prohibits the use of an individual's reproductive status as a criterion of employment.

Authorizes an employee to request temporary reassignment.

Directs the state poison control network to provide information regarding reproductive hazards.

Declares a right to be free from discrimination because of reproductive status.
