

1787-S

Sponsor(s): House (originally sponsored by Representatives Appelwick and Jacobsen)

Brief Description: Adopting the uniform anatomical gift act.

HB 1787-S - DIGEST

(AS OF HOUSE 2ND READING 2/13/92)

Defines terms.

Provides that an anatomical gift may be made by a document of gift signed by the donor and provides alternative procedures when the donor cannot sign.

Provides for amendment or revocation of the gift.

Requires hospitals to inquire if a patient is a donor at the time of admission.

Establishes procedures for determining if an individual has made a document of gift.

Specifies the approved donees of anatomical gifts.

Repeals provisions in chapter 68.50 RCW, Human Remains.
