

1851

Sponsor(s): Representatives Wang and Holland; by request of Department of Ecology and Office of Financial Management

Brief Description: Increasing fees and penalties related to the administration of the department of ecology's water resources program.

HB 1851 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Establishes fees for water rights and other related fees that reflect the cost of administering the water rights program of the department of ecology.

Increases civil penalties for noncompliance with state water resources laws and rules.
