Brief Description: Modifying poison information center authority.

HB 2016-S.E - DIGEST

(AS OF HOUSE 2ND READING 2/18/92)

Enhances the services by poison information centers for occupational, industrial, and environmental exposures to drugs, poisons, and toxic substances.

Authorizes the center to accept gifts, grants, and endowments.

Repeals RCW 18.76.040.

Requires the department of health to report by December 1, 1992, on funding, efficiencies, and fees associated with establishing a single poison information center.
