Brief Description: Providing rate regulation for low-level waste sites.

**HB 2031 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Gives the utilities and transportation commission jurisdiction over the low-level waste sites and operators to establish rates to be charged.

Provides for hearings on rate requests by the site operators, and for complaints that the rates being charged are not in compliance with the limits established.

Requires operators to file annual reports of their revenues.
