Sponsor(s): Representative Braddock

Brief Description: Regulating local government self-insurance.

HB 2127 - DIGEST

Authorizes local governments to individually or jointly self-insure health and welfare benefits.

Provides for private meetings to consider litigation and settlement of claims.

Specifies approved procedures for investment of funds.

Exempts joint self-insurance programs from certain taxes and fees.

Directs the administrator of the state health care authority to adopt rules governing the management and operation of the programs.

Repeals RCW 48.62.035.
