

2283-S

Sponsor(s): House Committee on State Government (originally sponsored by Representatives Haugen, Zellinsky, Anderson, Ferguson, Spanel, Winsley, D. Sommers, Paris and Orr)

Brief Description: Transferring the "noise pollution" responsibilities of the department of ecology to the department of health.

HB 2283-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Revises provisions of chapter 70.107 RCW to assign responsibility for implementation to the department of health instead of the department of ecology.

Designates the department of health as the agency to develop noise performance standards for snowmobiles.
