

2291-S

Sponsor(s): House Committee on Transportation (originally sponsored by Representatives R. Fisher, Betrozoff and Zellinsky)

Brief Description: Regulating the use of optical strobe light devices controlling traffic lights.

**HB 2291-S - DIGEST**

(AS OF HOUSE 2ND READING 2/11/92)

Authorizes the use of optical strobe light devices by department of transportation maintenance vehicles and public transit vehicles.

Directs the state patrol to adopt rules to implement the authorization.
