

2303-S

Sponsor(s): House Committee on Judiciary (originally sponsored by Representatives Ludwig, Padden, Riley and Silver)

Brief Description: Providing for the use as evidence of reports by or testimony from criminologists of the state's crime laboratory.

**HB 2303-S - DIGEST**

(AS OF HOUSE 2ND READING 2/13/92)

Authorizes a defendant to subpoena the forensic scientist who conducted the analysis of a controlled substance to testify at the preliminary hearing and trial at no cost to the defendant.
