

2391-S

Sponsor(s): House Committee on Environmental Affairs (originally sponsored by Representatives Horn, Rust, Pruitt, Bray, J. Kohl, Brekke, Edmondson, D. Sommers, Valle and May)

Brief Description: Regulating biomedical waste.

**HB 2391-S - DIGEST**

(DIGEST AS ENACTED)

Provides that the definition of biomedical waste shall be the sole state definition and will preempt any definitions established by a local health department or local government.

Provides for the evaluation of environmental and public health impacts of biomedical waste treatment technologies.
