

2442-S

Sponsor(s): House Committee on Transportation (originally sponsored by Representative Van Luven)

Brief Description: Protecting pedestrians in crosswalks.

HB 2442-S - DIGEST

(AS OF HOUSE 2ND READING 2/15/92)

Requires vehicle operators to stop for pedestrians who are lawfully within the intersection control area.

Requires the state traffic safety commission to develop a state-wide pedestrian safety education program.
