

2636-S

Sponsor(s): House Committee on Environmental Affairs (originally sponsored by Representatives Rust, Horn, Valle, Heavey and Brekke)

Brief Description: Requiring solid waste reports and landfill fee reciprocity on waste received from outside the state.

HB 2636-S.E - DIGEST

(AS OF HOUSE 2ND READING 2/17/92)

Requires a report sixty days prior to receiving solid waste generated from outside the state unless an emergency or short-term basis exists.

Requires payment of a fee if the generating state charges a fee for solid waste generated in Washington and requires the fees to be deposited in the solid waste management account.
