

5014-S

Sponsor(s): Senate Committee on Environment & Natural Resources
(originally sponsored by Senators Metcalf, Snyder, Oke, Thorsness,
Rasmussen, Conner and Hansen)

Brief Description: Creating a floating pen project for residential
coho salmon enhancement.

SB 5014-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Defines terms.

Designates criteria for approval of floating pen coho salmon
project applications.

Designates criteria for approval of chinook salmon extended
rearing projects.

Directs the department to evaluate the establishment of more
liberal recreational coho and chinook salmon bag limit rules in
areas where pen culture projects are located.

Provides that certain proceeds from the sale of salmon and
salmon eggs shall be utilized to implement the pen culture
projects.
