Brief Description: Coordinating activities relating to registration of plant protection products for minor crop uses.

SB 5037 - DIGEST

(AS OF SENATE 2ND READING 2/11/91)

Establishes a minor uses advisory committee to assist in ensuring the continued availability of agricultural plant protection products.

Directs the development of a program to provide assistance and information on the registration of pesticides under the federal insecticide, fungicide, and rodenticide act.

Makes an appropriation of forty-nine thousand five hundred dollars to the department of agriculture to carry out the purposes of the act.
