

5045-S

Sponsor(s): Senate Committee on Energy & Utilities (originally sponsored by Senators Madsen, Barr and Conner)

Brief Description: Providing for investigation of consumer complaints regarding drinking water quality.

SB 5045-S - DIGEST

(DIGEST AS ENACTED)

Authorizes a water system customer to file a complaint with the utilities and transportation commission that the water delivered does not meet state drinking water standards.

Provides for a test of the water at the expense of the water system.

Specifies the actions which the commission may take to exercise its authority over the water system.
