

5059

Sponsor(s): Senators Metcalf, Rasmussen, Anderson, Oke, Roach and Conner

Brief Description: Directing the department of fisheries to improve the pink salmon fishery through the "Alaska method."

SB 5059 - DIGEST

Directs the installation of fine-mesh floating net pens for early marine rearing of pink salmon in Hood Canal and Puget Sound.

Proposes the acquisition of Alaska pink salmon eggs for introduction in state waters.

Declares an emergency and takes effect immediately.
