

5062-S

Sponsor(s): Senate Committee on Energy & Utilities (originally sponsored by Senators Nelson, Rasmussen and Thorsness)

Brief Description: Designating availability of utilities on recorded plats.

**SB 5062-S - DIGEST**

(AS OF SENATE 2ND READING 2/11/92)

Requires plats to be accompanied by a certificate which shall describe the type and location of any utility service improvements which are available or installed.
