Brief Description: Requiring state laws and rules to be assessed to
determine adverse impacts on agriculture.

SB 5096-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Directs the department of agriculture to seek to enhance,
protect, and perpetuate the ability of the private sector to
produce food and fiber.

Requires a review of existing rules, directives, and
enforcement practices that adversely impact agriculture.

Requires the department to submit annual reports to the
legislature detailing the department's activities in carrying out
the purposes of the act.
