Brief Description: Providing for transitional living services for minors.

SB 5201 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Defines "permanency planning" and "transitional living programs."

Directs the department of social and health services to contract with independent qualified agencies to provide transitional living services to minors.

Requires an assessment of each minor, including the minor's family situation, before receiving transitional living services.

Makes an appropriation of an unspecified amount to carry out the purposes of the act.
