Brief Description: Requiring drug testing for state elected officials, candidates, and state employees.

SB 5227 - DIGEST

Requires a person to submit to a drug test within twenty days after filing a candidacy for a state elected office.

Provides that rules for the test shall be adopted by the public disclosure commission.

Requires elected officials to submit to an annual drug test after election to office.

Provides that full-time state employees shall submit to a drug test as a condition for employment.

Provides that rules for the test shall be adopted by the department of personnel.

Prescribes penalties for violation of provisions of the act.

Takes effect January 1, 1992.
