

5269-S

Sponsor(s): Senate Committee on Environment & Natural Resources  
(originally sponsored by Senators Anderson, McMullen, Amondson,  
Owen, Vognild, Metcalf and Conner)

Brief Description: Eliminating waste disposal requirements for  
certain net pens.

**SB 5269-S.E - DIGEST**

(AS OF SENATE 2ND READING 3/19/91)

Eliminates the requirements for waste disposal permits for  
aquaculture fin fish net pens that produce less than twenty  
thousand pounds of fin fish annually.
