

5281

Sponsor(s): Senator Cantu

Brief Description: Establishing a financial partnership plan for the department of social and health services.

**SB 5281 - DIGEST**

Declares that a recipient of services from the department of social and health services is liable for the costs of any nonfinancial service based on the ability of the recipient to pay.

Provides a formula for determining the maximum annual financial participation for a family.

Takes effect October 1, 1991.
