Brief Description: Authorizing the state board of education to review public school siting decisions.

**SB 5364.E - DIGEST**

(AS OF SENATE 2ND READING 3/15/91)

Authorizes a denial of a permit to locate a public school on a particular site to be appealed to the state board of education.

Requires majority vote of the board to authorize an appeal.

Authorizes the board to allow the school to be constructed notwithstanding the land use plans or zoning ordinances.
