

5471

Sponsor(s): Senators McCaslin, Madsen, Cantu, Williams, L. Kreidler and Amondson; by request of Department of General Administration

Brief Description: Requiring the department of general administration to develop and implement a comprehensive transportation and parking program.

**SB 5471 - DIGEST**

Requires the director of general administration to develop and implement a state agency transportation and parking management program, including alternatives to the single-occupant automobile.

Establishes fees and charges for parking and transportation programs.

Repeals RCW 46.08.172.
