Sponsor(s): Senate Committee on Environment & Natural Resources
(originally sponsored by Senators Oke, Owen, Sutherland and
Metcalf; by request of Department of Ecology)

Brief Description: Pertaining to the applicability of the uniform
fire code to underground storage tank laws.

SB 5480-S - DIGEST

(AS OF SENATE 2ND READING 3/13/91)

Declares that provisions of the uniform fire code that do not
directly conflict with, and are not more stringent than,
underground storage tank rules are not superseded or preempted.
