

5552-S

Sponsor(s): Senate Committee on Energy & Utilities (originally sponsored by Senators Barr, Madsen and Williams; by request of Department of Health)

Brief Description: Requiring certification of water systems operators.

SB 5552-S.E - DIGEST

(AS OF SENATE 2ND READING 3/15/91)

Defines terms for purposes of the act.

Requires public water systems to have a certified operator if the system serves more than one hundred recipients or it is a group A water system.
