Brief Description: Providing guidelines for investments in Northern Ireland.

**SB 5649 - DIGEST**

Directs the state investment board to invest the assets of the state funds, after January 1, 1992, in such a manner that the investments in institutions and corporations doing business in or with Northern Ireland shall reflect the advances made in eliminating discrimination called for in the act.

Places the same requirements on actions of the regents and boards of trustees of the institutions of higher learning.

Places the same requirements on investments of governmental pension funds.
