

5721-S

Sponsor(s): Senate Committee on Transportation (originally sponsored by Senators McDonald, Vognild and Patterson; by request of Department of Transportation and Department of General Administration)

Brief Description: Limiting the liability of state and local governments.

SB 5721-S - DIGEST

(AS OF SENATE 2ND READING 3/18/91)

Provides that a public agency or employee shall not be civilly liable for damages caused by the planning and design for construction of highways, bridges, or other public facilities.

Directs the attorney general to furnish a comprehensive summary of tort claims which were concluded and closed the previous year.
