

5725-S

Sponsor(s): Senate Committee on Energy & Utilities (originally sponsored by Senators Gaspard, Matson, Sutherland, Johnson, Moore, Murray and McCaslin)

Brief Description: Exempting electrical utilities and contractors from licensing requirements for certain work involving electrical transmission lines.

SB 5725-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that the exemption shall apply to employees when engaged in the performance of duties for an electrical utility or contractor, principally engaged in the erection and maintenance of primary power lines, for which no license is required.
