Brief Description: Creating the serious habitual offender program for juvenile offenders.

SB 5739 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Creates a "serious habitual offender program" within the department of community development.

Creates a policy board to act in an advisory role.

Designates the categories of persons to be the subject of the efforts of the program.

Requires the programs which are funded under the act to adopt and pursue designated policies and submit a report by January 1, 1993, regarding achievement of program goals.

Establishes procedures for the gathering of information to implement the act.

Makes an appropriation of two million dollars to carry out the purposes of the act.
