Brief Description: Creating the extended school year learning experiences demonstration program.

SB 5743 - DIGEST

Declares the purpose of the program is to determine the effects of extended learning experiences on improving performance for underachieving students in grades K-6.

Emphasizes instruction in basic skills.

Provides for the selection of one educational service district to participate in the program.

Requires a study on the progress of the students.

Makes appropriations to carry out the purposes of the act.
