Brief Description: Requiring the director of wildlife to administer fisheries and wildlife licenses.

**SB 5764 - DIGEST**

Requires the director to administer all licenses, tags, and permits under the statutes governing both the departments of wildlife and fisheries.

Directs the establishment of rules for the administration of a combined recreational license format.

Directs that revenue from the sale of recreational food fish licenses be placed in the wildlife fund.

Takes effect January 1, 1992.
