

5846-S

Sponsor(s): Senate Committee on Environment & Natural Resources
(originally sponsored by Senator Roach)

Brief Description: Creating the sludge task force.

SB 5846-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Forms a sludge task force to study alternatives to land application or disposal of conventionally treated municipal sludge.

Requires a report by July 1, 1992.

Provides for a centennial clean water act grant for a pilot project.

Declares land application of sludge to be unlawful.

Makes an appropriation of an unspecified amount to carry out the purposes of the act.
