Brief Description: Protecting the Snoqualmie river.

**SB 5872 - DIGEST**

Provides for the adoption and implementation of a management program for lands on the Snoqualmie river above Snoqualmie falls.

Directs coordination of King county, North Bend, and Snoqualmie interests.

Allows for a request to designate the Snoqualmie river as part of the scenic river system.

Makes an appropriation of forty thousand dollars to carry out the purposes of the act.
