

5877-S

Sponsor(s): Senate Committee on Energy & Utilities (originally sponsored by Senators Thorsness, Talmadge and A. Smith)

Brief Description: Requiring electric utilities to provide information on the effects of electric and magnetic fields.

**SB 5877-S - DIGEST**

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Requires distributors of electric energy, by January 1, 1992, to enact a program to inform customers of the nature and presence of electric and magnetic fields.

Allows recovery of costs of the program.
