Brief Description: Modifying poison information center authority.

SB 6031.E - DIGEST

(AS OF SENATE 2ND READING 2/5/92)

Directs that poison and drug information services shall, no later than June 30, 1993, be centralized in a single nonprofit center to provide twenty-four hour emergency telephone management and treatment referral of victims.

Provides for the establishment of a system for all state agencies to develop a coordinated and consistent response to poison incidents.

Authorizes the center to receive gifts, grants, and endowments from public or private sources.

Repeals RCW 18.76.040.
