

6047-S

Sponsor(s): Senate Committee on Environment & Natural Resources
(originally sponsored by Senator L. Smith)

Brief Description: Changing the requirements of commercial salmon licenses.

SB 6047-S.E - DIGEST

(AS OF SENATE 2ND READING 2/10/92)

Creates a task force to address the issue of commercial fishery gear reduction and make recommendations to the legislature by January 1993.

Declares that the act shall not be construed as a reallocation of salmon among user groups.
