Brief Description: Providing pesticide-sensitive individuals notification of urban pesticide applications.

**SB 6093.E - DIGEST**

(DIGEST AS ENACTED)

Requires applicators to display the name and telephone number on any power application apparatus.

Directs the development of a list of pesticide-sensitive individuals who submit information on an application form furnished by the department.

Requires notification to persons on the pesticide-sensitive list.

Requires applicators to place a marker on the property at the time of pesticide application.
