

6113-S

Sponsor(s): Senate Committee on Environment & Natural Resources
(originally sponsored by Senators Craswell, Owen, Oke and McCaslin)

Brief Description: Requiring reviews of final orders on permit applications under the shoreline management act to be on the record.

SB 6113-S.E - DIGEST

(AS OF SENATE 2ND READING 2/17/92)

Provides that the review shall be based on the record developed by the local government and supplemented by such additional evidence as the board deems necessary.

Limits the review on the record to a determination as to whether the local government's action was in accordance with required procedures, arbitrary and capricious, or consistent with the intent of the shoreline management act.
