Brief Description: Creating enforcement provisions for used motor vehicle warranties.

**SB 6196 - DIGEST**

Prohibits the sale or lease of a used motor vehicle without giving the consumer a written warranty.

Requires a consumer to be provided a fully itemized statement or repair order.

Prohibits dealers from attempting to avoid liability under a warranty.

Designates the approved exclusions from a dealer's warranty.

Establishes a liability to repurchase the vehicle if the dealer cannot repair or correct any nonconformity.

Prohibits the sale of vehicles which have a serious safety defect.

Authorizes the attorney general to contract with private entities to conduct arbitration proceedings.

Provides appeals procedures.

Creates a motor vehicle arbitration account.
