Sponsor(s): Senate Committee on Energy & Utilities (originally sponsored by Senators Erwin, Stratton and Saling)

Brief Description: Allowing private electrical contractors to install a PUD electrical service.

SB 6208-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Authorizes a customer of a public utility district to purchase the services of a qualified electrical contractor licensed by the state.

Declares that the contractor shall be solely responsible for any damages resulting from the installation, and the district shall be immune from liability.
